**CRYPTOCURRENCY TRADING &
ICO INVESTMENT ONLINE MASTERCLASS 2018**

Jonny Fry from Team Blockchain explains how cryptocurrencies and ICOs work & how to identify good investments and manage risk

London, UK: Cryptocurrencies exploded in popularity in 2017. Everyone knows the terms *crypto*, *Bitcoin* and *blockchain* but few truly understand what they mean. In this 90 minute online course, Jonny Fry, an asset manager with over 25 years in the industry, provides everything you'll need to gain an introductory understanding of cryptocurrencies and ICOs and to decide whether to proceed further into this quickly developing world.

Through 18 video lectures, students are taken on an educational journey that sees them cover topics including terminology, Initial Coin Offerings (ICOs), wallets, and investing. By the end of the course students will have a firm foundational grasp of the industry and will feel much better equipped to decide whether furthering their study or opening an investment account is for them or not.

Launched only a week ago, the course has already been purchased by over 2000 students, with testimonials including:

"Great course! Very clear"

"Well presented, good pace and clear. Great instructor"
